أ.د. نازع محمد العناني

مدير مكتب الاستشارات والتطوير المهني

Certificate

This is to certify that

Mr. Rajiv Sehgal

participated in the training course

Amendments to ISM Code: Awareness and Implementation

on 20/06/2010 by KPC, Kuwait.

The objectives of the course were to inform the participants about important amendments to the International Safety Management (ISM) Code made at the 85th session of the IMO Maritime Safety Committee. These amendments will come into effect on 1st July 2010 through resolution MSC.273(85).

The amendments deal with such topics as how safety management systems will be affected and what actions are required by companies to ensure compliance. A practical case study was used to illustrate possible methods for assessing risks and establishing safeguards.

The following subjects were covered in detail:

- Knowledge and understanding of the ISM Code amendments
- Practical application of basic risk assessment methods and risk control measures
- Planning and completion of renewal verification of SMCs within given time frame
